Request for Qualifications (RFQ) for Motorola PSAP equipment maintenance

South Plains Association of Government is seeking to contract with a licensed Motorola maintenance provider to provide 24x7x365 coverage to maintain PSAP 911 equipment and two Host sites. This includes preventative maintenance and on-site maintenance.

If you are interested in submitting a RFQ and would like the specification packet or need additional information, contact

Gay Lynn Mosher
gmosher@spag.org

The deadline for qualifications to be received by SPAG is 5:00pm on October 27, 2025. Physical proposals and/or electronic submissions will be accepted.

SPAG is a political subdivision of the State of Texas
